#### "Don't Be Fooled By False Teachers" Jude 8 - 16

Character = Strength of moral fiber; a sum of their dispositions, thoughts, intentions and desires

A person's character is who they really are when no one is watching

#### Verse 8

### Don't be fooled by false teachers - Check Out Their Character

- 1) They defile the flesh
  - to smear with filth
  - no restraint on their fleshly urges
- 2) They reject authority
  - no one will rule over me
- 3) Speak evil of dignitaries
  - degrade all who will not embrace their deception

#### **Verse 9 - 10**

#### Don't be fooled by false teachers - Big Talk

## Big talk > Reviling accusations > Control language

Michael (the arc angel) knew his order - God is a God of order

Michael did not speak evil of the devil

Notice how Michael (a powerful arc angel) dealt with the devil - "the Lord rebuke you"

### Deceivers have no respect for God's order

- there is no respect for God!
- there is no fear of God!!

### KIND OF LOOKS LIKE AMERICA TODAY!!

#### A false teacher' hallmark:

- Distort the Word Cults are masters at this

Rule #1 in hermeneutics (interpretation of Scripture) = context, context, context!

False teachers frequently use the Word of God out of context to prove their point

False teachers abuse the Word of God - like brute beasts!

#### Verse 11

### Don't be fooled by false teachers - Their Ways

The way of Cain - ANGER
Seek God your own way
Genesis 4: 2-7

The way of Balaam - *GREED*They want payment and power Numbers 22 - 25

The way of Korah - *ENVY*I want what you have
Numbers 16

False teachers are cut out of the same cloth as these guys; they are angry, greedy and envious!!

#### **Verse 12 - 13**

#### Don't be fooled by false teachers - They ultimately bring uselessness and chaos

#### "spots in your love feasts"

- like hidden reefs, submerged rocks can sink ships- these can sink your life!

"clouds with no water" - useless

"trees with no fruit" - useless

"raging waves" - chaos is their calling card

#### "wandering stars"

- like shooting stars (here, then gone)
- all that's left is darkness, ruined lives, chaos!

#### False teachers' destiny

- blackness of darkness forever!!

#### **Verse 14 - 15**

#### Don't be fooled by false teachers - They are doomed!

### Judgment is sure - THE LORD IS COMING!

#### Why does Jesus come?

To put an end to evil and the evil one

To establish His rule over the earth - Revelation 11: 15-16

To establish His kingdom, an eternal Kingdom - Isaiah 9: 6-7

#### Who comes with Jesus?

You do!!

"ten thousand of His saints" also Revelation 19: 11-16

#### Verse 16

#### Don't be fooled by false teachers - Their ways

### They spread an undercurrent of unrest:

They cast doubt, they grumble and complain

These are people who try to sell you the future with swelling words and flattery

Deceivers pedal a new spirituality; they tell people what they want to hear and people love it!

2 Timothy 4: 3-5 speaks of these people

### CONCLUSION: DON'T BE FOOLED BY FALSE TEACHERS

The false teachers' calling card is deception

The Colossians are an example of believers who were in danger of buying into an empty deception

Colossians 2: 8
