

Things that make you go
hmmm

Scripture reading
2 Timothy 3

Last Days Perilous times will come

- Selfishness
- Pride
- Blasphemy
- Disobedience
- Wars and rumors of wars
- Pestilences
- Natural disasters
- Deception

WO2020060606

- Patent Microsoft filed in June 2019
- Cryptocurrency mining system
- To collect data from people via sensors (on or in their body)
- Data will be gathered as the person exercises, interacts, reads, writes, etc.
- Data will be sent to a cryptocurrency system to be used to create tokens/credits/coins for the person to use to buy, sell and invest.

China's Social Credit System

- Was supposed to be fully implemented by 2020 but Covid 19 caused a delay
- Consists of databases and initiatives that monitor good and bad behavior
- Rewards for good and punishments for bad behaviors
- Some punishable bad behavior: playing loud music, eating in rapid transit, traffic violations, not showing up for reservations to restaurants and hotels, not recycling properly, and cheating during online gaming

Event 201

- An exercise held on 10/18/2019 to simulate what might happen if there was a severe pandemic (2 months before first reported Covid cases out of Wuhan, Hubei Province)
- Participants included Government, Banking and Private industry members from around the globe
- Simulated that 65 million deaths would result (similar to Spanish flu numbers)
- Formulated strategies to develop and distribute vaccines to the most vulnerable first
- Discussed global economic and health ramifications

Great Reset

- These statements are from the World Economic Forum WEF site www.weforum.org
- Revamp all aspects of societies and economies
- Build entirely new foundations for our social and economic systems
- Populations have overwhelmingly shown a willingness to make sacrifices for the sake of health-care
- Pandemic presents a rare but narrow window of opportunity to reflect, reimagine, and reset our world to create a healthier more equitable, and more prosperous future

COVID 19

- Vaccinations, passports and boosters are being discussed as ways to reward people with more freedom than those that don't get them.
- As the WEF stated, people are making sacrifices for health.
- Shut down and caused closure of many businesses while we waited for vaccines to be developed and distributed for a virus that has a 97%-99.75% recovery rate (according to WebMD). Reportedly up to 99.97% recovery rate for a normal immune system.
- Allowing immigrants with an unknown covid status into our country while we are still shutting down parts of our country.
- How does that flatten the curve?
- No longer hard to imagine how the Antichrist will corral all people of the globe to receive the mark and control buying and selling.

Religious Leaders Promoting One Faith

- Recommending that we don't proselytize or be fundamental in our beliefs
- Encouraged to meet on the common grounds of all religions (coexist)
- Promoting Chrislam - blurring of the lines of Christianity and Islam.
- Some of these 'Christian' leaders have openly mentioned mother earth, support for Agenda 2030 (another Antichrist system component on next slide), God's wrath if we don't treat the earth right (wiccan ideas).
- Religious pluralism is taking over those who have not kept His word.

Agenda 2030 (Goals to be met by 2030)

- Rebranding of Agenda 21 by the United Nations and has 9 basic tenants.
- Move Citizens off private land and into urban housing.
- Create vast wilderness spaces inhabited by large carnivores.
- Eliminate cars and create “walkable” cities.
- Support chosen private businesses with public funds for “sustainable development.”
- Make policy decisions that favor the “greater good” over individuals.
- Drastically reduce the use of power, water, and anything else that creates “carbon pollution.”
- Use bureaucracies to make sweeping decisions outside of democratic processes.
- Increase taxes, fees, and regulations.
- Implement policies meant to incentivize a reduced population.

What are we to do?

- Stand on the Word of God. It will protect us in these dark days.
- Meet with the believers all the more as we see the day approaching.
- Edify, encourage and admonish one another in the Word.
- Keep watch and spread the Good News!
- Stay Filled with the Holy Spirit and be prepared.
- Do good to all, especially those of the household of faith.
- Preach the word and be ready in season and out of season (always)
- See, Judge, Act
- Look up! Our redemption draws neigh!
