Questions to ponder:

Do you know what your spiritual gift(s) is?

If yes, how is it being used for the body of Christ?

If no, what is holding you back from diligently finding out?

Have you ever failed to share your gift when the opportunity arose? If so, what was the reasoning?

Final Points

- Time is short.
- Pray and obey.
- Seek and find.
- It's time to look up and let go of what is holding us back.
