Final Thoughts

Our King died and rose again so we could be saved and free!

We are His bondservants and were bought at a great price.

Freedom does not give us license to sin.

Use our freedom to serve Him.

Make sure we are investing in the heavenly kingdom.

True biblical belief in Christ, as our Lord and Savior, cannot be mixed with anything else, not the law and not the world.

Following a set of rules for personal holiness and comparing others to us, will only puff us up.

Following Christ and knowing He did all the work on the cross, will encourage humbleness, thankfulness and fellowship with His other children and remind us, we are all in this together.
